Senator Middleton, Chairman,
Broad Brook,
Connecticut.

Dear Sir:-

Mr. Godard, of the Connecticut State Library, informed us the other day that you were instrumental in getting out a medal to be given by the town of Broad Brook to the veterans of the great war. This Museum is making especial efforts to get all of this class of medal, and we would deeply appreciate it if you could send us a specimen for our collection.

Very truly yours,

Curator.
